Yes Yvette, please go ahead, thanks for reaching out. We also have a task paper, if folks who publish work based on this data can refer to that it will be great.

Puneet

**Subject:** [EXTERNAL] Request for Using Dataset for School Project

Dear Organizers of EmoContext,

May I please know if I could use the dataset for SemEval2019 Task 3 – EmoContext for my Classification class at University of Waterloo? If so, would the attribution “Data provided by Microsoft for SemEval2019 Task 3 – EmoContext” be suffice for this use?

Sincerely,  
Yvette
